ADVENTURE FIRST AID

ADVENTURER SC

Ideal in marine/wet environments. Contained in a weatherproof dry bag the Adventurer SC includes the 48-page Aideguide, and all the essential first aid supplies.

-  **2-5 USERS:** Makes an ideal first aid hub for families, yachties, kayakers, rafters, or a group of trampers.
-  **SIZE(mm):** H=290 W=200
-  **WEIGHT(g):** 650

COMP SC

Used where weight reduction and water resistance is essential. It offers initial help for those who are a couple of hours from their base camp, race support, or expert medical help.

-  **1-3 USERS:** Great for adventure racers, adventurous individuals and small groups.
-  **SIZE(mm):** H=240 W=170
-  **WEIGHT(g):** 250

VOID

Offers basic first aid support to individuals within reach of an Adventurer SC or expert medical help.

-  **1 USER:** Adventurous individuals such as mountain bikers and snow boarders where space and weight reduction are critical.
-  **SIZE(mm):** H=210 W=130
-  **WEIGHT(g):** 90

UNIQUE FEATURES

KNOWLEDGE

-  Easy to follow procedural steps and diagrams.
-  Thorough 48 page guidebook or fast use quickguide (Void only).
-  Includes up-to-date **DR'S ABC'S** – the correct order of the lifesaving procedure.

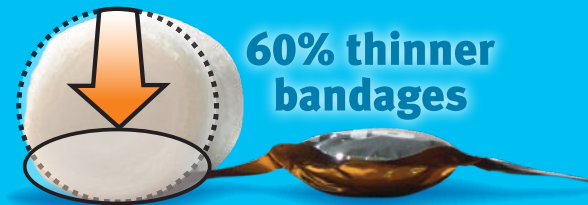

USABILITY

-  **Standardised labeling** – know what you've got and what to use.
-  **Quick codes** to easily locate supplies – efficiently and accurately restock your kit online or in store.

REVOLUTIONARY

-  **Macro-vac** packaging of bulky supplies. Vacuum packed to save critical space.

WEATHERPROOF

-  Waterproof foil-backed plastic packaging.
-  **Triple-roll** dry bag.
-  **Guidebook and quickguide** made of waterproof and tear-resistant synthetic paper.
